

**!Khwa ttu** takes you on an exciting journey of discovery into the world of Southern Africa's San or Bushmen people.

In a spectacular West Coast setting, a convenient one hour's drive from Cape Town, experience a culture inspired by ancient knowledge and traditional folklore.

## A CELEBRATION OF SAN CULTURE

**!Khwa ttu** is dedicated to the culture and heritage of the San people of Southern Africa. It is a San culture and education centre. Become informed about a myriad of San issues by the San people themselves.

It is a vibrant and positive joint venture between the San people - represented by the Working Group of Indigenous Minorities in Southern Africa (WIMSA) and a Swiss philanthropic UBUNTU foundation.

Through holistic training in sustainable tourism !Khwa ttu works to support the San in securing a more sustainable future.

By combining adventure, relaxation and education !Khwa ttu will leave a lasting impression and a new understanding of the phrase 'San Spirit Discovered'.
